

A Dream Come True

by Teresa Glenn

It is hard to believe the existence of this long time dream has finally become a reality! About 5 or 6 years ago as a need to reach out to more sisters in the LORD emerged, an examination of ways to accomplish this began. For obvious reasons a personal visit with everyone each week was just not possible. At the same time my wonderful children were attempting to teach me how to use the computer. (I must admit I was not the easiest student.)

Then it dawned on me, visit them via email. Well from there the idea of an email magazine became a dream. Now those same wonderful children are assisting and encouraging me to go forward with fulfilling this dream. The purpose of this e-magazine is to edify, encourage, educate, enlighten, equip, energize, exchange ideas and enjoin in fellowship with sisters in CHRIST that will last throughout eternity!!

It is our desire to enable growth in our LORD so that our extreme goal - heaven - can become a reality. Our aim is to enrich our minds and hearts as we feed on the Word and examine ways to put it into practice in our lives. It is an enormous job to win souls for the LORD, but we hope this magazine will aid in that as well. There is no time to waste. Our enemy the devil is seeking daily to devour as many souls as he can. He doesn't care whose soul he gets! We must educate the lost to the fact that our LORD is seeking those on whose behalf He can be strong. The objective of this magazine is for much growth to ensue as we take this journey together.

It is not our desire to erase or embellish the Word of GOD in any way. The LORD has given us His word on all matters. Our only purpose is to edify and encourage one another in our walk on this earth. The simple equation we hope to follow is the example of our LORD. We desire to emulate His perfect life and express the highest esteem for our LORD and Savior JESUS CHRIST. We pray you will earmark some time each month to join us so we can all be empowered.

I hope the epidemic of e-words emerging in this email has been as much fun for you as it has for me! Thank you for not escaping but rather enduring to the end! Looking forward to our next visit!!
