

You Too Can Be A Giant Slayer!

Did you know that Goliath had brothers? We all know of David and Goliath the giant but it is seldom mentioned that Goliath had brothers. They were all Philistine giants. 1Chronicles 20:4-8 tells us that David and his men fought these giants and were victorious over them.

There can be many 'giants' in our lives today. Not men of tall stature, but problems and challenges that seems too large to overcome. Just like David, with GOD on our side we too can be victorious. When you are facing seemingly impossible odds remember to pray and ask GOD for wisdom and help. He is there for all of His obedient children. GOD never promises that there will be no challenges in our life, but He does promise to not give us more than we and He together can overcome if we trust Him to lead.

Ephesians 3:20 –“Now unto Him that is able to do exceeding abundantly above all that we ask or think according to the power that works in us.”

David had no doubt that GOD would help him as a young lad overtake Goliath.

1 Samuel 17:46 - “This day will the LORD deliver thee into mine hand:”

Trusting in the LORD to lead, believing He knows best in all situations, that is the key to conquering our giants. To truly believe that He is *“able to do exceeding abundantly above all that we can ask or think”* – how can we fail to succeed in all that is right and good with that much help on our side? He is waiting on us to accept His help in every area of our lives.

In the New Testament, Romans 8:28, we read, *“And we know that all things work together for good to them that love GOD, to them who are the called according to his purpose.”* Then just a few verses down the apostle Paul asked the rhetorical question, *“if GOD be for us, who can be against us?”* Wow, we really do have an all powerful, all loving GOD on our side!

Go out and slay some giants today!
