

The Gift You Can Keep, Only If You Give It Away!

Teresa Glenn

Isn't it wonderful how the LORD reminds of His blessings? We can know He is in control when we see the changing of the seasons and the weather. Watching the snow fall, seeing the damage the wind and rain can do reminds us that no one besides the LORD can control these things. What a blessing each day brings! Each day is given by our Creator, a day in which all can have an opportunity to be His child.

"The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance." 2 Peter 3:9

Being a child of GOD is an extra special blessing indeed! A free gift from our Creator to all who receive it!

No matter where we come from, how much education we have, what size we are, what color our skin is, how many grandchildren we have, what type of career, what our status married or single, no matter how old or young, if we are accountable we can be a child of GOD. That is so equalizing. It is true freedom! Why would we want to live in the greatest country in the world where freedom is such a commodity and be in bondage? Yet that is the exact position of those who are outside of CHRIST. They are in bondage of sin, in slavery to their desires and lusts.

It is true we cannot have everything! But we can have the most important things (free) if we but except the gifts GOD offers us through His word.

"Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning." James 1:17

We must let the world know that these gifts are available. Like the FedEx man we can deliver these gifts to their doors. It takes such a small amount of time to tell someone of the plan GOD has for them to accept His gifts

Many have made family plans and purchased gifts for various loved ones the past few weeks. Let's not forget this most fabulously free gift. How many times do you have something so precious that cost you so little? The perfect gift for everyone! The most wonderful gift of all and you can give it! CHRIST has already paid the price.

"Ye are bought with a price; be not ye the servants of men." 1 Corinthians 7:23

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God:" Ephesians 2:8

We who have this gift can only keep it if we give it away!!

We are so thankful for you and your continued encouragement. Our gift to you my sisters is our heartfelt prayers that the LORD will grant you many years of service in Him with marvelous opportunities to share His precious gifts with many souls. May safety and happiness abound in your lives! Have a spiritually prosperous 2010!
