

## **O What a Day!**

Bible Bowl, Oh What a Day!  
People going this way and that way.  
Children with brains about to burst  
To forget an answer would be the worse.

North, south, which room am I in?  
Oh no, hurry its time to begin.  
Let's go in here, I can hear them sing.  
How many teams did you all bring?

Hotdogs, chili and tubs of ice.  
Look, look, the t-shirts are nice.  
The reader, wasn't he on a team last year?  
Parents, watching, waiting, trying not to cheer.

The real challenge is keeping the score.  
So much excitement, no one will snore.  
Readers getting the teams in their places.  
Fellowship, nerves and smiling faces.

In all the joyfulness and rushing its heard...  
The most important part is learning GOD's Word.  
So let's remember as you take a part  
To plant and keep His will in our hearts!

**“Thy word have I hid in my heart, that I might not sin against thee.” Psalm 119:11**

The poem above was written after a marvelous experience of fellowship and learning! In the summer months many mothers encourage their children to study and participate in a Bible Bowl in their area. This is a fantastic way to use the idle hours of summer. It keeps the mind from growing dull from no use and it is a marvelous opportunity to fill our children's hearts and minds with the Word of GOD. If you have this opportunity please write questions, coach a team, study, learn, grow as a family as you and your children gain valuable knowledge about the greatest book ever written!! There's no better summer activity.
