

Creation SONG (5 senses):

We Thank GOD Today
(tune: I'm Happy Today)

I'm happy today—Oh yes, I'm happy today,
For all the things I see today
For flowers and trees and my own skinned knees
And that's why we thank GOD today.

I'm happy today—Oh yes, I'm happy today,
For all the things I hear today
For birds that sing and bells that ring
And that's why we thank GOD today

I'm happy today—Oh yes, I'm happy today,
For all the things I taste today
For pizza we eat and ice cream so sweet
And that's why we thank GOD today.

I'm happy today—Oh yes, I'm happy today
For all the things I smell today
For flowers so sweet and my stinking feet
And that's why we thank GOD today.

I'm happy today—Oh yes, I'm happy today
For all the things I touch today
For ice cubes so cold or heat from the stove
And that's why we thank GOD today.
